February 1985

Vol. 6 No. 1

Co-editors Kelly A. Fleming & Linda J. Nahl

First of all we would like to thank you for picking up the new StagePlayers newspaper. We would like to explain to you how all of this came about. Here is our story, (don't put the paper down, it will be interesting, really)... Once upon a time there were two beautiful princesses sitting in the newly painted blue "green" room and... Oh, well you may be asking who those beautiful princesses were of course. Maybe we shouldn't say beautiful, pretty though, well okay, cute. Anyway, we were giddy for lack of sleep ('cause Linda talks too much) and we were avoiding our classes. We were sitting around asking people silly questions. Kelly and I both looked at each other at the same time and said, "We should really do this. We should start a StagePlayers newspaper." It was brought to our attention that there had once been a newspaper called "Profiles" and that we weren't the originators of the idea. We will not take credit for the idea, but merely the rebirth of it. So here we are whether you like it or not. It's comedy, deal with it. We hope that you will enjoy our efforts.

Love y'all,

Linda

CLOSE UP WITH J. BRIAN DAHLQUIST

We hope to have an interview in every paper. Our interviews will let you "get to know people better." We hope you find them interesting.

US: We've heard that you've been seen with Richard Simmons. What's the story?

BD: "Well I go to Rich's a lot! No seriously, I am going to teach aerobics classes at the Anatomy Assylum."

US: Are you an eligible bachelor?

BD: "Yes, very eligible!"

US: What are your future plans?

BD: "Yes, I'm graduating in April. I want to persue a career as an airline flight attendant. I went for interviews at U.S.Air, American and Eastern, but there were no serious job offers..."

US: Do you want to persue a career in acting?

BD: "I've done some commercials and a lot of shows, but I think I'll just keep it as one of my hobbies."

US: Speaking of hobbies, what are some of yours?

BD: "I like aerobics, dancing and tanning. I mean I really hate winter, but I like skiing. I want to move to a warm place. Oh, I also like clothes."

Vital Statistics:

Major: Communications

Minor: Marketing

Work: Bank teller now, but not forever. Hopefully I will get a job at the Anatomy Assylum. For serious work I really hope to get a job as a Flight Attendant.

Favorite Color: Green

Music: WBMX or WGCI, dancable music.

QUESTION

Do you know what the "J" stands for at the beginning of Brian's name? Keep guessing, the answer will be in next paper.

INTERESTING FACT

There is a reason for the hole in the center of a life saver. The hole lets the flavor circulate and hits more of the surface area of your tongue. Neat huh?

GOSSIP COLUMN

We know that people are always talking about other people (usually behind their backs!), so we've decided to remedy that. We're going to bring everything out in the open. We will not ever be vicious but remember, our ears are EVERYWHERE!!!

Was there a new game invented that I haven't heard about? The game I'm referring to is Musical Beds. ACTF proved to be very interesting in that department! There were too many swapping sessions to name names, but you all know who you are! Do you feel guilty?!

What is a beavers fart rep?! And who is this mysterious "US" leaving crazy notes on the box office note board?! The culprits will soon be caught! Security is after them! Fess up...or die!

It has been heard and seen that Todd and Bill are making "kissy faces" at each other during rehearsals of Beyond Therapy. We know that this is not part of the blocking or the script. So what's the story...BOYS?!

Is it true that there was a boxing match in the green room that we weren't told about? Sue and Guy, can you elaborate for us please? We would like to put the information in our next paper.

Andy and Sammy: What kind of relationship do the two of you have with Kelly's Cabbage Patch ear-muffs?! Wait! Nevermind, we don't want to know!!!

Whatever happened to those StagePlayers T-shirts we voted on?

Is Tedder's leg really frozen? Ted, how do you get around campus with a frozen leg?!

Durward said that he would feel left out if he didn't get a little ribbing. Any ideas? Please send to suggestion box in our office. All will remain anonymous (?)

DEAR PRUNELLA & PRUDENCE

This column will be much like the "Dear Abby" column you all know and love. So please, your participation is greatly needed! Leave your letters in our suggestion box. And please have them sealed in case of snoopers... GUY!!!

JOKE OF THE WEEK

"What is 20-20-20?"

answer: Miss Ethiopia! Bad huh?!
