The Choral Sounds of Chicago

Dan McDaniel, Artistic Director

...they sing

...they play

...they may even dance

Not merely a concert but rather an adventure...

An opportunity to step back in time and enjoy an evening of
another age...

This concert is made by possible in part by a grant from the
Illinois Arts Council. We appreciate their generous support.

The Choral Sounds of Chicago is one of the newer
professional choral organizations on the Chicago
musical scene. Combining experienced
professionals with youthful talent and creative
programming, the group delights in offering the
audience a chance not only to hear but to
experience the ambiance of another age.

Millicent Sylvester and Julie Zeller, Mezzo Sopranos
